SPLIT WITH SCHOLARIE TEAMS

Last Friday night the Delanson High boys were defeated by the Scholarchie High boys. The Delanson boys did not play up to their true form and as a result the Delanson team only clicked together about five times. The boys will try to make up for this defeat when they meet Scholarchie in return game on Scholarchie's court.

The Delanson girls' team showed themselves superior to the Scholarchie outfit by beating them 39 to 28. The Delanson team is the only team this year that has been able to trim the Scholarchie lasses. This victory places the girls in the tie for first place, with four victories and 1 defeat.

The girls' team is determined to win the cup this year, and by the way they have progressed they have an excellent chance for it. In eleven games they have only lost two.

Don't Get Up Nights
Make This 25c Test

You need this easy bladder physio to drive out impurities and excess acids which cause irritation that results in leg pains, backache, burning and getting up nights. BU-KETS, the bladder physio, containing buchu, juniper oil, etc. works on the bladder pleasantly and effectively similar to castor oil on the bowels. Get a 25c box (5 grain size) from your druggist. After four days, if not relieved of getting up nights go back and get your money. You are bound to feel better after this cleansing and you get your regular sleep. Stephen Veneer, Druggist, says "BU-KETS is a best seller."
